

Web Site Privacy Policy

GlobalPay believes that privacy is important to the success and use of the Internet. This statement is a testament to GlobalPay's Privacy Statement for its products, as well as that are accessed from the GlobalPay website. With this document, GlobalPay describes the practices that we will follow with respect to the privacy of users of this site, and products that are accessed from this web site. Occasionally, GlobalPay may change this Privacy Statement. In the event the Privacy Policy is to change, it can be viewed by accessing the Privacy Policy link within the website.

Personally Identifiable Information (PII)

"Personally Identifiable Information" is information about the user's personal information. This information includes but is not limited to: name, address, e-mail address, user ID, social security number, and so on.

GlobalPay does not share, sell, rent, or trade PII with third parties for their promotional purposes.

Agents/Service Providers

GlobalPay may use third parties such as a marketing firm or email service provider to send out emails on our behalf. Such a provider will only provide broadcast email services for us.

These third parties are prohibited from using your personally identifiable information for promotional purposes.

PII collection and Disclosure

GlobalPay will only collect information under the "Contact Us" section within this website. GlobalPay will not collect personal information -- including your e-mail address -- unless you fill out the "Contact Us" form. GlobalPay will collect name, address, phone, email, and address only when the Contact Us form is filled out.

If you have voluntarily provided information, you consented to the collection and use of your Personally Identifiable Information as described in this Privacy Statement. In some circumstances, GlobalPay may share information you voluntarily provided to us, with trustworthy business partners, but only as necessary to deliver our services to our clients or as otherwise instructed by our clients. GlobalPay will not sell or distribute PII collected data through this site to anyone.

Updating/Accessing/Amending/Correcting PII

If your PII changes, or if you no longer desire our service, you may [correct, update, amend, delete/remove or deactivate it] by contacting GlobalPay by either phone which is listed within the Contact Us section of this privacy statement. By emailing GlobalPay also supplied within the Contact Us section within this privacy statement. Or by postal mail, the GlobalPay address is listed on the Contact Us section. GlobalPay will respond to your request to within 30 days of your request.

Cookies

A cookie is a small text file that is stored on a user's computer for record-keeping purposes. GlobalPay does use cookies on this site. We do not link the information we store in cookies to any personally identifiable information you submit while on our site. Cookies cannot retrieve any other data from your hard drive or obtain your e-mail address. If you are simply browsing the GlobalPay website, a cookie may be used to identify your browser as one that has visited the site before. If you have cookies disabled from your browser, you may still be allowed to browse the GlobalPay site.

Third Party Cookies

The use of cookies by our partners is not covered by our privacy statement. Our partners do use cookies, but do not use other forms of web tracking technologies such as web beacons.

Security

GlobalPay takes its security very seriously. We exercise great care to protect your PII. Some of the security features that we provide are industry standards such as firewalls, Brute Force scanning, Apache's MOD Security, and other security devices to ensure that your data remains secure.

Although GlobalPay has placed all proper devices and metrics in place, we cannot guarantee that all data traversing the internet is 100% secured. This is especially true for PII transmitted via e-mail. Although we have no way of protecting that information, we can however, provide you with protection once it reaches our servers.

Occasionally GlobalPay reviews its security policies, and this security section will be updated accordingly. For latest security updates, please refer back to this section of this document.

Changes in this Privacy Statement

If GlobalPay decides to change our privacy policy, we will post those changes to this privacy statement, the home page, and other places we deem appropriate so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we

disclose it.

We reserve the right to modify our privacy statement at any time, so please review it frequently. If we make material changes to this policy, we will notify you here, by email, or by means of a notice on our home page.
